This is the dashboard of a student. In this webpage, students can see their **NAME & CLASS (1)** at the top portion. In the middle portion, all the **SUBJECT (2)** names will appear as per their respective classes. You are already familiar to this dashboard as you have used it for checking & uploading notes and assignments. **The only difference is that now you can find a new section on the right portion named as Exam Schedule (3).** Here you can find a list of all the upcoming Exams that have been scheduled for you.

If you visit this page at the time of an Exam, then only you can see a **Take Exam (4)** button, by clicking on you can start the Examination. From Examination start time to till the end time, the **TAKE EXAM** button will appear.

The screenshot shows a web browser window with the address bar displaying 'store.uppublicschool.edu.in/StudentExam.aspx'. The page content includes a header with 'Welcome CLASS 9 STUDENT 1' and 'Subject: MATHEMATICS'. A 'Back To Subject List Page' link is in the top right. The main section is titled 'Student Response Section' and contains a 'View Question' link, a 'Description' text area, a 'Select File' button with a 'Choose File' input and 'No file chosen' text, and a 'Submit' button. At the bottom left, there are 'Logout' and 'Back To Subject List Page' links. Numbered callouts (1-7) are placed around the page: (1) on the student name, (2) on the View Question link, (3) on the Description label, (4) on the Select File button, (5) on the Submit button, (6) on the Back To Subject List Page link in the top right, and (7) on the Logout link.

Once you click on the **Take Exam** button, you will come to this page. Here you can see a **View Question (2)** link, clicking on which you can see/download the question paper. After answering the questions, you will need to scan the answer sheets and convert them into **one PDF file**. The size of the PDF file **MUST** be below **4MB**. In case you find the file size exceeds **4MB**, you will have to use any **Third-Party Software** to reduce the file size.

Now you have to write a self-explanatory description in the **Description (3)** field and attach the answer sheet PDF file from the **Select File (4)** option. Once done, just click on the **Submit (5)** button to submit the answer sheet. Please keep in mind, you have to submit the paper before the end time of the Exam and you will get only one chance to submit the paper successfully, otherwise the Take Exam link will expire.
